DRUNKENNESS

Or the Liqueur Habit Positively Cured by Administering Dr. Haines' Golden Saffron. It can be given in a cup of coffee or tea without the knowledge of the person taking it; it is absolutely harmless and will effect a permanent and speedy cure, without the patient's knowledge, of any alcoholic habit. Thousands of drunkards have been made temperate men who have taken Golden Saffron in their coffee without their knowledge, and, in many cases, without drinking of their own free will. IT NEVER FAILS. The greatest cure ever known with the exception of the cure for syphilis, is the cure for drunkenness. For sale by ALICE HUBBARD, Head Quarters, WHOLESALE & RETAIL, 1000 Broadway, New York; BOSTON DRUG CO., 254 Fulton St., Brooklyn.
